

Thomas Mumley

Thomas Mumley has been an Assistant Executive Officer at the San Francisco Bay Water Board since 2007. Tom has worked at the San Francisco Bay Water Board for 35 years with experience in nearly all program areas of the Water Board including development and implementation of water quality standards, development and implementation of Total Maximum Daily Loads, NPDES wastewater and stormwater permits, nonpoint source control and watershed management, and enforcement. He was one of the origin participants on the State Stormwater Quality Task Force that preceded formation of CASQA., and he is currently an Executive Sponsor of the State Water Board Strategy to Optimize Resource Management of Storm Water. Tom received his BS degree in Chemical Engineering from the University of Massachusetts, Amherst in 1976 and his Ph.D. in Chemical Engineering from the University of California, Berkeley in 1983.
